Title: On China's Economic Collapse

Author: Hsu Ti-hsin (許 孫新

Publisher: Chung-kuo Ch'u-pan She, Hong Kong, 1947

Sponsor or

Issuing Authority: None indicated

No Pages: 60

Language: Chinese

Repository and Catalogue No: Hurvard-Yenching Library

Area of Coverage: China

Subjects Covered: Monetary system before 1949

Scholarship Evaluation: Popular consumption, biased anti-KMT pamphlet

Review: Pamphlet, consisting of three chapters, deals with civil war economy, collapse of Nationalist currency and finances, and whether cr not the KMT could salvage the situation. Criticizes the budgetary,

foreign exchange, and monetary policies of the KMT immediately following VJ Day. Attacks US policy of giving financial aid to EMT.
